Save as you spend with the unique AXA Credit Card

A little extra holiday spending money?... Those shoes you really like?... or maybe lunch with someone special...

Courtesy of your car insurance!

It's possible with an AXA Credit Card. This is because of our unique points system.

For starters we give you 2,539 free points. Then, we will give you one point for every €2 spent through your AXA Credit Card.

Each and every point takes one cent off the cost of your insurance.

For example, if you spend €140 per week (for 12 months) through your card (the average shopping bill for many families), we will reduce your next annual premium by more than €60!

And with that extra cash in your pocket, who knows what you'll buy!

For more information call us on 1800 60 62 62

All premiums are exclusive of Govt. Levy, subject to terms & conditions as outlined in your policy document and certificate of insurance.
